

CHILD DEVELOPMENT ASSOCIATE, CERTIFICATE OF COMPETENCY (ECA)

Effective: Fall 2007

The Child Development Associate Certificate of Competency (ECA) is intended for students who wish to earn the national Child Development Associate Credential (CDA) from the Council for Professional Recognition. Earning the national credential will prepare the student for entry-level positions in early care and education programs. The ECA certificate meets the required professional development for earning the CDA and prepares the student to complete their Professional Portfolio and Resource file. There are optional internships available to assist the student in acquiring the 480 hours of professional experience required to earn the CDA. There are additional requirements for assessment that are outside the scope of this certificate. See the Council for Professional Recognition website for more information on earning the CDA, www.cdacouncil.org (<http://www.cdacouncil.org>).

The ECA Certificate seamlessly articulates into the Associate of Art in Early Childhood Education program of study.

Program Outcomes

- Identify the characteristics of a safe, healthy learning environment
- Describe how child development, curriculum and assessment interact to advance children's physical and intellectual competence
- Describe positive guidance strategies to support social and emotional development
- Describe strategies to establish positive and productive relationships with families
- Describe how professionals contribute to a well-run, purposeful program responsive to participant needs
- Articulate a commitment to professionalism

Curriculum

The College will award a certificate of competency to students who complete an approved credit-bearing career program that requires less than 30 credits. General education courses may not be required for programs that have less than 30 credits. The student must have a cumulative GPA of 2.0 or higher. At least six (6) credits, or 50% of the total credits required, whichever is greater, must be completed at Delaware County Community College.
