

2.10 AWARDING ADDITIONAL DEGREES

Original Date of Issue: 3/15/78

Revised: 4/1/15, 6/24/25

A student may be awarded two degrees and receive two diplomas concurrently, or,

a student who has already received a degree from Delaware County Community College may qualify for an additional degree,

provided that:

1. The student meets the specific requirements of the chosen curriculum.
2. The student completes at least fifteen (15) credits at Delaware County Community College which have not been applied to another degree.
3. The student must meet all other requirements of the additional degree.

The College will maintain and publish a list of degrees which may not be earned as an additional degree.
