Original Date of Issue: 10/21/15

Revised:

## Purpose

To help ensure the safety of all minors while participating in any educational program or activity at any Delaware County Community College (College) facility.

To ensure compliance with the state statutory provisions providing protections from abuse to minors (23 Pa.C.S. Sec. 6101) through a requirement of mandatory reporting by any employee of the College in the event of any and all suspected child abuse, in the course of performing one's duties on behalf of the College.

## Scope

All employees of the College.

## Policy

It is the requirement of the College that all employees of the College immediately report any case of suspected, actual, admitted, or witnessed child abuse to their immediate supervisor. The immediate supervisor, in conjunction with the College's President or designee shall respond to a report of suspected child abuse consistent with the requirements of the Child Protective Services Law. The College President shall inform the Board of Trustees when a mandatory report of suspected child abuse has been submitted.

The purpose of this policy is to protect abused or thought to be abused children from further abuse. It is the responsibility of supervisors, directors, managers, and vice-presidents of the College, once informed of any suspected or actual child abuse, to ensure that reporting to the proper state authority and the President has, in fact occurred.

In addition, reports of the suspected child abuse must be made immediately by telephone to ChildLine (800) 932-0313 by the reporter of the suspected child abuse followed by a written report within 48 hours as required by law.
