

3.8 STUDENTS WITH DISABILITIES

Original Date of Issue: 11/28/84

Revised: 8/29/13, 9/20/17

The College's policies and procedures are designed to ensure all qualified students with a disability have equal access to its educational programs, services and activities. Students with a disability who are seeking accommodations must provide current and comprehensive documentation to the Office of Disability Services. Students will then meet with the director or staff to determine and develop plans for reasonable accommodations as mandated under Title II of the Americans with Disabilities Act (https://www.ada.gov/2010_regs.htm), Amendment Act (ADAA) of 2008, and Section 504 of the Rehabilitation Act of 1973. Students with disabilities are held to the same academic and conduct standards as other students. For procedures and further information, visit the College's Disability Services webpage (<https://www.dccc.edu/disability-services>).

Electronic Information Technology Accessibility Statement
